Our first stop is a **shipwreck**, perfect for **snorkeling** in the crystal-clear waters of the Aegean Sea. The wreck is also visible from the boat deck through our high-quality fish finder or waterscope!

Podaras, Tavari, Chrousos

Next, we'll sail to the turquoise waters of **Podaras Beach**, a breathtaking location ideal for swimming and relaxing. From there, we continue to **Tavari Beach**, a charming coastal village known for its traditional tavernas and cozy cafés.

The journey then takes us to the stunning **Chrousos Beach**, where you'll be captivated by its golden sands and shallow, inviting waters, creating the perfect setting for relaxation and exploration.

Skala Eresou, Tilegrafos

Our next destination is **Skala Eresou**, a picturesque seaside village famous for its expansive sandy beach. Here, you can either stroll through the village, visiting its vibrant tavernas, cafés, and souvenir shops, or take a refreshing dive off the spectacular rock formations near the harbor.

As the adventure continues, we'll visit the secluded **Tilegrafos Beach**, a private paradise accessible only by boat, offering tranquility and pristine natural beauty.

Our final destination is the village of **Sigri**, home to the world-renowned **Petrified Forest of Lesvos**, a **UNESCO World Heritage Site**. Dive into the pristine waters of Sigri and admire the historic **Sigri Castle**, built in 1757 by Ottoman Admiral Suleiman Pasha.
